

# money:mindshift

## The dream life

You're financially secure and have everything you need. How would you shape your days? What passions would you pursue? What would bring you joy and purpose?

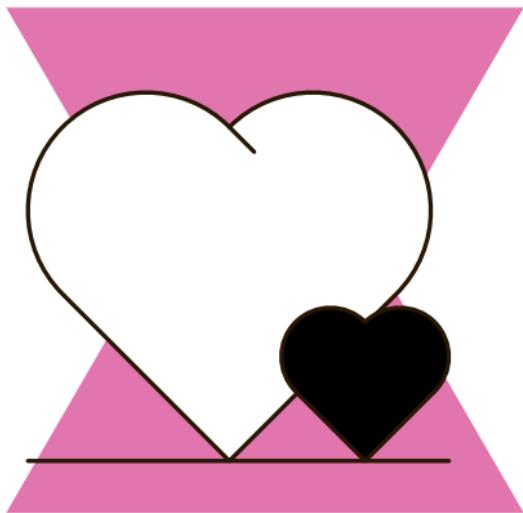

# money:mindshift

## The dream life

If you had just one day left, what would you wish you'd done, or experienced? What moments or connections would you treasure most? What legacy would you want to leave

# money:mindshift

## Living with intention

If you had just one day left, what would you wish you'd done, or experienced? What moments or connections would you treasure most? What legacy would you want to leave behind?
